Terms and conditions:

1. Ownership and Non-Disclosure Agreement:

All software development work including know how, design, source code, documentation, test cases will be the intellectual property of the company. You are expected to not share any intellectual property of the company owned by the company with any external agency or individual or disclose any form except with the written permission of the management in each case. By accepting this appointment letter, you agree to get into an implicit non-disclosure agreement concerning any company owned information or material.

2. Company's Trade Secrets:

In the performance of your internship duties with the Company, you will be exposed to the Company's Confidential Information. "Confidential Information" means information or material that is commercially valuable to the Company and not generally known or readily ascertainable in the industry. This includes, but is not limited to:

- a. Technical information concerning the Company's concepts, techniques, processes, methods, systems, designs, clients, cost data, computer programs, formulae, development or experimental work, software code, test results work in progress, customers and suppliers as well as software for business and professional use application programs, operating systems, internet websites or e-commerce solutions, books, hardware and information for the microcomputer and internet, research projects and product development, technical memoranda and correspondence;
- b. Information concerning the Company's business, including cost information, profits, sales information, accounting and unpublished financial information, business plans, markets and marketing methods, customer lists and customer information, purchasing techniques, supplier lists and supplier information and advertising strategies.
- c. Information concerning the Company's employees, including salaries, strengths, weaknesses, and skills.
- d. Information submitted by the Company's customers, suppliers, employees, consultants, or co-venture partners with the Company for study, evaluation or use; and
- e. Any other information not generally known to the public which, if misused or disclosed, could reasonably be expected to adversely affect the Company's business.

3. Nondisclosure of Trade Secrets:

You shall keep the Company's Confidential Information, whether or not prepared or developed by Employee, in the strictest confidence. Intern will not disclose such information to anyone outside the Company without the Company's prior written consent. Nor will the Intern make use of any Confidential Information for the Intern's own purposes or the benefit of anyone other than the Company.

However, the Intern shall have no obligation to treat as confidential any information that:

- a. Was in Intern's possession or known to Intern, without an obligation to keep it confidential, before such information was disclosed to Intern by the Company.
- b. Is or becomes public knowledge through a source other than Intern and through no fault of Intern.
- c. Is or becomes lawfully available to Intern from a source other than the Company.

4. Termination

Your internship with the company will be liable for termination by either party by giving 7 days' notice. However, the Company shall at its sole discretion may relieve prior to the completion of the stipulated notice period. In such case, the Company shall not be liable to pay any compensation or stipend/internship fees in lieu of the waived period of notice.

5. Leave:

For paid internships, any leave availed by the intern shall be subject to prior approval from the reporting manager. The company reserves the right to deduct the stipend proportionately for both approved and unapproved leaves.

For unpaid internships, while there is no stipend deduction, any leave taken without prior approval may impact the intern's evaluation and eligibility for a completion certificate from the company.
